

St Joseph's RC Primary School Sports Premium Plan 2017-2018

Sports Premium is funding allocated to schools by central government. The funding amount schools receive is based upon the number of children of primary age on roll at the school.

Our sports premium allowance for 2017-2018 is £17,250. We aim to use this funding to have a lasting impact on the health and fitness of all our children, by promoting healthy lifestyles, maintaining the high standard of teaching in PE, providing more opportunities to participate in a range of competitions and to offer a range of out of school clubs and create links with local sporting clubs.
