

St Joseph's RC Primary School

On the 27th and 28th September, Year 6 children went up to the Emmaus Youth Village for an overnight residential visit! The children joined the year 6 classes from St Godric's and St Thomas More at the village and made some fantastic new friends. The children took part in lots of different activities over the two days including; singing, dancing, drama, playing sports games, painting and crafts.

Isaac said, 'This was the best trip I've ever been on, I've made lots of new friends and I loved playing rounders in the big field next to where we were staying!'

Asia said, 'I loved all the different activities we had to do and it was so much fun sharing a room with our friends!'
